BODY BUILDER

Maybe it's a truck body. Maybe a racing car body. But whatever model you're building, you want it to look the best. That means putting in a ton of care and concentration. And paying particular attention to the details.

And when it comes to details, no one out-muscles MPC. Details are MPC's strength. You see, at MPC spe-

cial effort is given to insure that every car or truck is 100% authentic.

Whether it's an old model or a new one. A Classic Muscle Car or any of the newest '87 American High Performance Cars, MPC's got a model kit you can wrestle with.

So if it's a great body you want to show off, get an MPC Model Kit.

Just like the real thing. Only smaller.
